I been here for the last 17 month's and I never was giving a work package and 17 month's the program didn't start into may 3 so I think it's fair to let me out to population for the fact there was no program yall was just getting B.H.U. time out of me.

and I also want my A.C. privilege's commissary. Phone call's to because I no longer want to partake in was going on I should still have my A.C. privilege's I'm A.C. status. That's my two problems

Negative: your time was for the program I however Covid for a damper on in cell/out of cell programming. You were given this opportunity to attend 30 day-leader on 5-4-22 to advance to phase 4 for your privileges and you refused.
